

Employee Leave Policy

Department/Category: HR

Synthetic demonstration document for the Infosys GPT project. This material is fictional and should not be treated as an official Infosys policy, guide, manual, sales asset, or SOP.

Purpose

This synthetic HR reference document is created for the Infosys GPT demonstration. It is not an official company policy.

Annual Leave

Employees are entitled to 24 days of annual leave per calendar year in this demonstration policy.

Leave Requests

Employees should submit planned leave requests through the HR portal before the leave begins. Managers review requests according to team coverage requirements.

Emergency Leave

For an unexpected absence, the employee should notify the appropriate manager as soon as reasonably possible and update the HR record when able.

Carry Forward

Unused annual leave may be carried forward for up to 10 days into the following calendar year in this demonstration policy.

Approval

Leave approval depends on the applicable approval workflow and operational coverage. Submission of a request does not by itself constitute approval.
